These Terms and Conditions (“Terms”) govern the use of the **Ectaroship platform**, operated by **Ectaro B.V.**, a company registered in the Netherlands.

By accessing or using the Ectaroship platform (“Service”), you agree to be bound by these Terms. If you do not agree with these Terms, you must not use the Service.

1. Definitions

For the purposes of these Terms:

Ectaroship
The online shipping platform operated by Ectaro B.V.

Any company or individual using the Ectaroship platform.

Carrier
Any third-party logistics provider such as DHL, DPD, PostNL, FedEx, Bpost, Spring or similar companies.

Shipment
Any parcel, package or freight created through the Ectaroship platform.

2. Nature of the Service

Ectaroship is a **technology platform** that enables users to create shipping labels and access shipping services provided by third-party carriers.

Ectaroship:

- does not act as a transport company
- does not physically transport shipments
- does not control the operations of carriers

All shipments are transported solely by the **selected carrier**.

3. Use of the Platform

Users agree to use the platform only for lawful business purposes.

Users may not:

- use the platform for illegal activities
- ship prohibited or restricted goods
- attempt unauthorized access to the system
- interfere with the operation of the platform
- misuse shipping services.

Ectaroship reserves the right to **suspend or terminate accounts** that violate these rules.

4. User Accounts

To use certain features of the platform, users must create an account.

Users are responsible for:

- maintaining the confidentiality of login credentials
- all activities performed under their account
- ensuring that account information is accurate and up to date.

5. Payments

Payments for shipping services are processed through **Mollie B.V.**, our designated payment provider.

Users agree that:

- shipping label costs and processing fees must be paid
- additional carrier charges may be billed later
- Ectaroship may automatically collect payments on a weekly basis.

Failure to complete payment within **3 business days** after notification may result in:

- account suspension
- late payment fees
- legal collection costs.

A late payment fee of **€350 plus 5% of the outstanding amount** may apply.

6. Carrier Rules and Shipping Policies

All shipments created through the Ectaroship platform are subject to additional operational policies published by Ectaroship.

These policies include:

- Shipping Liability Policy
- Packaging Guidelines
- Restricted Items Policy
- Carrier Claims Procedure

These documents form an **integral part of these Terms and Conditions**.

Users agree to comply with all applicable policies when creating shipments.

7. Packaging Responsibility

Users are solely responsible for ensuring that shipments are properly packaged.

Shipments must comply with:

- the **Ectaroship Packaging Guidelines**
- the **packaging standards of the selected carrier**.

Improper packaging may lead to:

- damage during transport
- rejection of claims
- additional carrier charges.

Ectaroship shall not be responsible for damages resulting from inadequate packaging.

8. Prohibited and Restricted Items

Users are strictly prohibited from shipping goods listed in:

- the Ectaroship Restricted Items Policy

Examples may include:

- hazardous materials
- illegal goods
- weapons
- flammable substances
- certain liquids or food products.

Shipments containing prohibited items may be:

- refused
- confiscated
- destroyed by the carrier.

All resulting costs and risks remain the responsibility of the user.

9. Insurance and Shipment Liability

Ectaroship does **not provide insurance coverage** for shipments.

Any compensation for loss or damage is determined solely by the **carrier's liability rules**.

Users are responsible for arranging additional insurance if required.

10. Claims and Investigations

Claims related to lost, damaged, or missing shipments must be submitted according to the **Ectaroship Carrier Claims Procedure**.

Users must provide required documentation, including:

- photographs of packaging and goods
- proof of shipment value
- recipient declarations when required.

Claims submitted outside the carrier's deadlines may be rejected.

11. Proof of Delivery Disputes

If a shipment is marked as **delivered** according to the carrier tracking system but the recipient claims non-receipt, the carrier may require a **signed declaration from the recipient**.

Failure to provide such documentation may result in rejection of the claim.

Carrier decisions regarding delivery confirmation are final.

12. Destruction of Shipments

Carriers may destroy shipments that pose a **risk to safety or transport operations**.

Examples include:

- leaking liquids
- hazardous materials
- damaged goods contaminating other parcels
- shipments violating transport regulations.

Carriers may destroy such shipments **without prior notice**.

Ectaroship has no authority to prevent these actions.

13. Marketplace Compliance and Prohibited Conduct

Marketplace compliance. Where you connect a marketplace or sales-channel account to the Service (including but not limited to Amazon), you remain solely responsible for complying with that marketplace's own agreements, program policies and requirements — including, for Amazon, the **Amazon Services Business Solutions Agreement** and the applicable Amazon program policies — as well as with all applicable laws and regulations. Your use of the Service does not relieve you of, or override, any of those obligations.

Prohibited conduct. You must not use the Service, directly or indirectly, to:

- engage in "brushing" or in the creation, placement or fulfilment of fake, unordered, fraudulent or incentivised orders;
- manipulate product listings, search rankings, reviews, ratings or feedback, or otherwise engage in listing or review manipulation;
- infringe the intellectual-property rights of any third party, or advertise, sell, ship or deal in counterfeit, infringing, unsafe or otherwise unlawful goods;
- violate, or facilitate the violation of, any marketplace agreement, program policy or seller obligation; or
- use the Service in any other unlawful manner or in breach of these Terms.

Enforcement. We may investigate any suspected violation of this section. Where we reasonably suspect that the Service is being used in breach of these Terms or to violate a marketplace agreement, we may suspend or terminate your access to the Service and may report the matter to the relevant marketplace (including Amazon) or to the competent authorities. Nothing in this section obliges us to monitor use of the Service, and it is without prejudice to any other right or remedy available to us.

Ectaroship shall not be liable for:

- loss of profits
- indirect damages
- business interruptions
- consequential losses.
